

I, SIXTO SALCEDO PEREZ, Dominican, of age, bearer of Identity Card No. 192788, 1st. Series, born on the Eighth (8) of January of the year 1954, domiciled and resident of the City of Santo Domingo, Dominican Republic, referring to Case No. 13306 - 91, Kings County, Brooklyn, declare the following:

On 10-20-91, at 15:39 hours, the undersigned and the named JHON ELVIS REYES, appeared at the 75th. Precinct before Detective THOMAS BUDA, shield No. 1668, where we accused RUDDY QUEZADA, of the crime committed on 10/19/1991, in front of our (Video) store, located at the corner of NEW LOTS AVE and NEW JERSEY AVE, which JHON ELVIS and I owned as partners. The reason as to why we accused RUDDY was because of personal reasons, due to the fact that JHON ELVIS got RUDDY's cousin pregnant and abandoned her, and that's how the problems between them emerged.

The day of the crime JHON and I were in a restaurant on 577 HENDRY and NEW LOTS. RUDDY was there and he sees us and suddenly, he leaves the place and JHON ELVIS follows behind, they argue and JHON pulls out a gun and fires two (2) shots. RUDDY evades him and takes off running. Later on we were going to our store in a MAXIMA and while standing at the corner, RUDDY passed by in a brown ELECTRA and JHON said, there comes RUDDY! Then about ten (10) minutes later a black CADILLAC comes and a machine gun came out from the rear of the car shooting throughout the whole block. Immediately all the people in the area panicked and started running. JHON and I went towards PENNSYLVANIA AVE. and then we received a phone call telling us that someone had been killed and several people were injured. Unexpectedly JHON ELVIS says to me, lets get RUDDY into this mess, since he was putting the heat on us on the block, by saying that we were (snitches) or informants. That's when the process of accusing RUDDY begins, until he got arrested and accused of that crime.

Months later under other circumstances JHON ELVIS is killed. The police begins to persecute me, because I was the only witness alive and that's why I decided to go to Florida to evade the police. About 19 months later I returned to New York and while I was in a restaurant the Detective THOMAS BUDA arrived and said to me: "You ran so much, but I finally got you", and he arrested both of us, my wife and I. He then kidnapped me for two (2) days, by bringing me to the MARRIOTT HOTEL across from La Guardia Airport, keeping me incommunicado. He threatened me and told me that I had to read this document, which accused RUDDY of having committed the crime, otherwise he was going to put me in jail for ten (10) years. I repeat that I had to agree to say the same thing that was said in the document so that the detective would not put me in jail. I reiterate that I can't affirm that RUDDY committed that crime, because I did not see him, I'm not trying to justify myself, I'm just trying to have a clear conscience, since I regret the harm that I have caused. I ask RUDDY to forgive me and to the American authorities for having obstructed the investigations, and to RUDDY for so many years of unjust imprisonment.
